

The Big Idea: The forgiveness we desperately need and so graciously receive from God, we are to graciously and freely extend to each other.

I. Review

- A. We pray with ETERNAL things in view because we’re calling attention to God’s GLORY
- B. We pray with TODAY in view because we’re calling out to God about the DETAILS of life

II. God’s pardon

A. The REQUEST

1. The PROBLEM

- What is it?

- What sin does

2. The PROVISION

- What is it?

- How it is used
 - Forgiveness and SALVATION

➤ Forgiveness and FELLOWSHIP

- With GOD

- With EACH OTHER

B. The REASON

1. It does NOT mean...

2. It DOES mean...

- Lord, DEAL with me, as I have DEALT with others

- Our forgiveness does not CAUSE God to forgive us. It’s EVIDENCE that we have and ENTERED into God’s forgiveness

III. What we take away...

Commit DAILY to make every effort to keep SHORT accounts with God and with each other
